SurveyMonkey Comments on Montana's Nongame Check-off Workplan

1 Sheryl Hester Oro Valley AZ Leave all wildlife alone. Let them live!

2 Robert P Griffin West yellowstone MT I support funding the non-game
check off proposal.

3 Robert H Kempel Glasgow MT I am generally in support of the proposed
Check-Off Workplan provided that the portion applying to 'Appreciation of Wildlife' provides a
component that helps the non-hunting public understand that hunting and trapping play an
important and vital role in management of our resources. There are far too many informational
programs out there that subtly undermine support for trapping and hunting. Thank you for the
opportunity to comment. - RHK

4 Marc Cooke Stevensville MT We strongly urge the Commission to support the
non game check off.
